

Gypsum Fire Protection District Snow Removal Application Process

511 Second Street • P.O. Box 243 • Gypsum, Colorado 81637
(970) 524-7101

The Gypsum Fire Protection District is proud to help those citizens of the district who have an unusual medical and/or financial means preventing them from performing snow removal required by the Town of Gypsum. Those persons wishing to obtain snow removal services from the district shall provide proof of limited income, impaired physical ability, and lack of other means for snow removal requiring assistance from GFPD. *GFPD requires a copy of a quote from a private snow removal company in conjunction with the application. GFPD will not compete with private enterprise.*

All residents of the district inquiring about snow removal shall be provided an application to fill out and return to the station. Upon receipt of a completed application the GFPD fire representative shall sign and date the application and turn it in to the fire report box in the ops office. GFPD will schedule a walkthrough of the property prior to the review meeting to determine needs and scope of work. Applications are to be reviewed by the paid staff during weekly staff meetings for approval (partial or full) or denial. The staff will outline the extent and the duration of the service to be provided. The property owner shall be notified of the decision via phone. An updated snow removal list shall be provided to the duty crews as properties are removed or added.

The approved applicants shall have their property cleaned once daily after recent snow fall only after all other emergency operations have been completed. Snow accumulation shall be a minimum of a half inch before crews act on the new accumulation. The snow removal list will be limited to a maximum of 15 houses. Gypsum Fire Protection District reserves the right to omit a residence temporarily due to, but not limited to: active 911 calls, minimum staffing, daily special events, and other extenuating circumstances.

All questions from citizens shall be directed to Lt. Valdez or Chief Vroman.
